The Border War Track and Field Meet

TRXC Timing and Rockwood Summit High School are pleased to announce the Border War Track and Field Meet. This inaugural track and field meet will feature teams from St. Louis, St. Charles, Jefferson Counties in Missouri and Madison, St. Clair Counties in Illinois. Sanctioning for this meet is underway. It is our intention to have a quality competition that features some of the best athletes from the surrounding St. Louis area. Teams will be permitted to enter any athletes that are deserving of competing in a high quality meet. The meet is accepting only 16 athletes per event. All field events will consist of 3 jumps or throws followed by the top nine going to finals. Running events will feature timed finals with 2 sections in every event except for the 1600, 3200 and 4 x 800 relay. The top 8 individuals and relays will receive a medal. The meet will be held at Rockwood Summit High School on Thursday, April 22, 2010. The rain date is Monday, April 19, 2010. [Meet Info](#)

Online Entries

TRXC Timing is currently taking reservations for online entries for the upcoming track and field season. Why spend hours typing names into a computer when what used to take hours now take seconds. We offer 24/7 customer support to help anyone who may encounter a question. [More Info](#)

Finishynx and Hytek Training

TRXC Timing now offers training for Finish Lynx and Hytek. We can either come to you or you can schedule an appointment in our 12,600 sq. ft. training facility. We offer expert knowledge to get you and your staff up to speed on the latest high tech equipment. We are your meet management solution.

I Want Registered

TRXC Timing has launched a new website IWantRegistered.com. This new website was created with many genres in mind. First, the meet manager of a road race can now use our system to streamline entries into their event. The same comfort and satisfaction that was based off our track and field entry system now will help road race managers. The second function of our new website is clinic and team sport registration. IWantRegistered.com allows for the seamless registration of community baseball, basketball, soccer and swimming teams. The use of PayPal makes all transactions safe and secure.
